Autumn Edition

February 2007 Volume 2 Issue 1

Hi Everyone,

Welcome to our first new newsletter for the year! It has been such a busy time lately there doesn't seem to have been a moment to catch a breath, but thankfully my moment has arrived, so it is time to bring you up to date with what's been happening.

Our psychic fair during the country music festival was amazing to say the least, the feedback and results were just wonderful. My thanks to all who helped and came along during the two weeks we were there, your support was greatly appreciated as were your love and kind words. It was wonderful also to see so many of the old faces there as well. And for the church building fund, after expenses, \$845 was donated into the kitty taking our bank balance to over \$2,000.00! Well done everyone! We are already looking forward to next year, but before that comes around again we have our next TSC Psychic Fair happening in May so please come along and support that one too, it is so much appreciated!

Now, for those of you who have been attending our service over the last couple of months – haven't we been enjoying having the bigger room! It's been wonderful to enjoy all that extra space for just a little extra cost each month. It's certainly been valuable as we have also enjoyed higher attendance numbers in the last few services – welcome to all our new friends! And thank you everyone for your feedback, we will endeavour to remain in our larger hall for each service (there may be one month exception this year but will let you know).

Well, onwards and upwards into a brand new year, looking forward to the delights of each new day and to seeing you all at church each month. Please check out our website for any updated information and new events coming up throughout the year [www.tamworthspiritualistchurch.com.au](http://www.tamworthspiritualistchurch.com.au) and have a wonderful 2007.

Blessings Mandy

## **Recipe for a Happy New Year**

Sent to me by Marisa Narula from Bangkok in 2001

Take twelve fine full grown months: see that these are thoroughly free from old memories of bitterness, rancor and hate, cleanse them completely from every clinging spite: pick off all specks of pettiness and littleness: in short, see that these months are freed from all the past-have them fresh and clean as when they first came from the great storehouse of Time.

Cut these months into thirty or thirty-one equal parts.

Do not attempt to make up the whole batch at one time, (so many persons spoil the entire lot this way) but prepare one day at a time.

Into each day put equal parts of faith, patience, courage, work (some people omit this ingredient and so spoil the flavour of the rest), hope, fidelity, liberality, kindness, rest (leaving this out is like leaving the oil out of the salad dressing – don't do it), prayer, meditation and one well- selected resolution.

Put in about one teaspoonful of good spirits, a dash of fun, a pinch of folly, a sprinkling of play, and a heaping cupful of good humour.
