Hi Everyone,

Well here we are halfway through the year already. Hard to believe that the year is passing so very quickly. So now it is time to stop for a moment and share with you what's been happening.

We have been very lucky with our donations for our church raffles. These monies are helping towards the churches funds and giving a few lucky ones some lovely prizes! My thanks to all of you who have donated items and vouchers. I would ask everyone if we could all support these businesses whenever we may be looking for their type of service: **Immramma – Phill - Peel St, Paris Potions – Peel Street, Chakradance – Craig Oliver, Andrew McFarlane – Orgonites/ Farm Cottage B&B.** It is wonderful to have such a variation of skilled people so close at hand.

Our recent psychic fair held on May 12th was a good day but due to a lot of people being away or busy our numbers were down on our previous fairs, but even so, we still covered the expenses and made \$231.00 for the church. So my thanks go out to all who helped and shared their time so willingly.

Now, always open to new ideas...this month at the Church service a show of hands decided that we would make use of the availability of our rooms on our service dates by offering mini 20minute readings after the service to those who would like one. Starting the month of June and going alternate months from there, so, Aug, Oct, Dec etc. The readings will be a \$20.00 donation to the Church and we will endeavor to have 2 or 3 readers available for you to choose from. Also one of our members, James, offered his services to do dream interpretations so please feel free to take up his offer, more details are available on the info table at Church.

Thank you everyone for your continued support & until next time, take care of each other and enjoy!

Blessings

Mandy

YOUR FACE

You don't have to tell how you live each day,
You don't have to say if you work or play,
A tried, true barometer serves in place,
However you live, it shows in your face.

The false, the deceit, that you bear in your heart,
Will not stay inside where it first got the start,
For sinew and blood are thin veils of lace,
What you wear in your heart, you wear in you face.

If your life is unselfish, if for others you live,
For not what you get, but how much you give,
If you live close to God in his infinite grace,
You don't have to tell it – it shows in your face.

Reality Creators

A few years ago I started setting up a worldwide healing network for anyone who wishes to be involved. We link through the internet and when any of us has a call for help directed to them, we call upon the others in our circle to help as well. Through this association we have had some really amazing results. To date this circle of Healing Friends span from the UK, USA, Thailand, Hong Kong, KL, NZ, & Australia. If you feel that you would also like to be involved and can spare a little of your time to send absent healing to those that request our help, then please drop me a note at mandycoles@exemail.com.au (Full website coming). When a request comes in to me I will forward that request on for all to participate. This is a voluntary Service linking all in loving healing upliftment. In the endeavour to bring a return to Wholeness of Being.
